

If there's a digital camera under your Christmas tree and you are wondering what you can take photos of..... you are in luck!

Crawfordville's Wal-Mart has provided display space to the St. Marks Refuge Photo Club in the Customer Service area. Here you will find photos from around Wakulla County, most from our own hidden jewel, St. Marks National Wildlife Refuge. You will also find here a list of upcoming events that are open to the public. Need help with your photo technique, sign up for the photography class.

Photos on the wall are taken by club members from all age groups and walks of life. What we do have in common is a love of the outdoors and a passion to capture some of nature's beauty with our cameras. Remember, whatever your age, there is a place for you to enjoy outdoors in nature. Stop by often as we plan to keep the display fresh with new photos in and ongoing basis.

Best Regards,
Mike Carlton
